Cleaning and Operating Venetian blinds

CLEANING

The blinds must be cleaned periodically with water and **MILD** soap **ONLY**. Ensure the Roller Blind is completely dry prior to rolling it up.

After cleaning immediately dry off any water or moisture with a soft cloth.

DO NOT use any hard chemicals or abrasives.

DO NOT use any ammonia based cleaners.

OPENING & CLOSING BLINDS

Care must be taken when lifting or lowering the blinds.

Whilst pulling on the cord ensure the blind is rolling evenly and to ensure no undue stress is exerted on the cord. Do not lower or raise the blinds too far so as to over roll the blinds.

SECURING BLINDS

DO NOT leave window or door open during periods of windy or wet weather conditions, wind can blow the blind which may cause damage to parts of the blind such as the cord and the blind fabric itself as well as other items in the room.
